

DES WINDES – APPENDIX:

MIXED FEELINGS

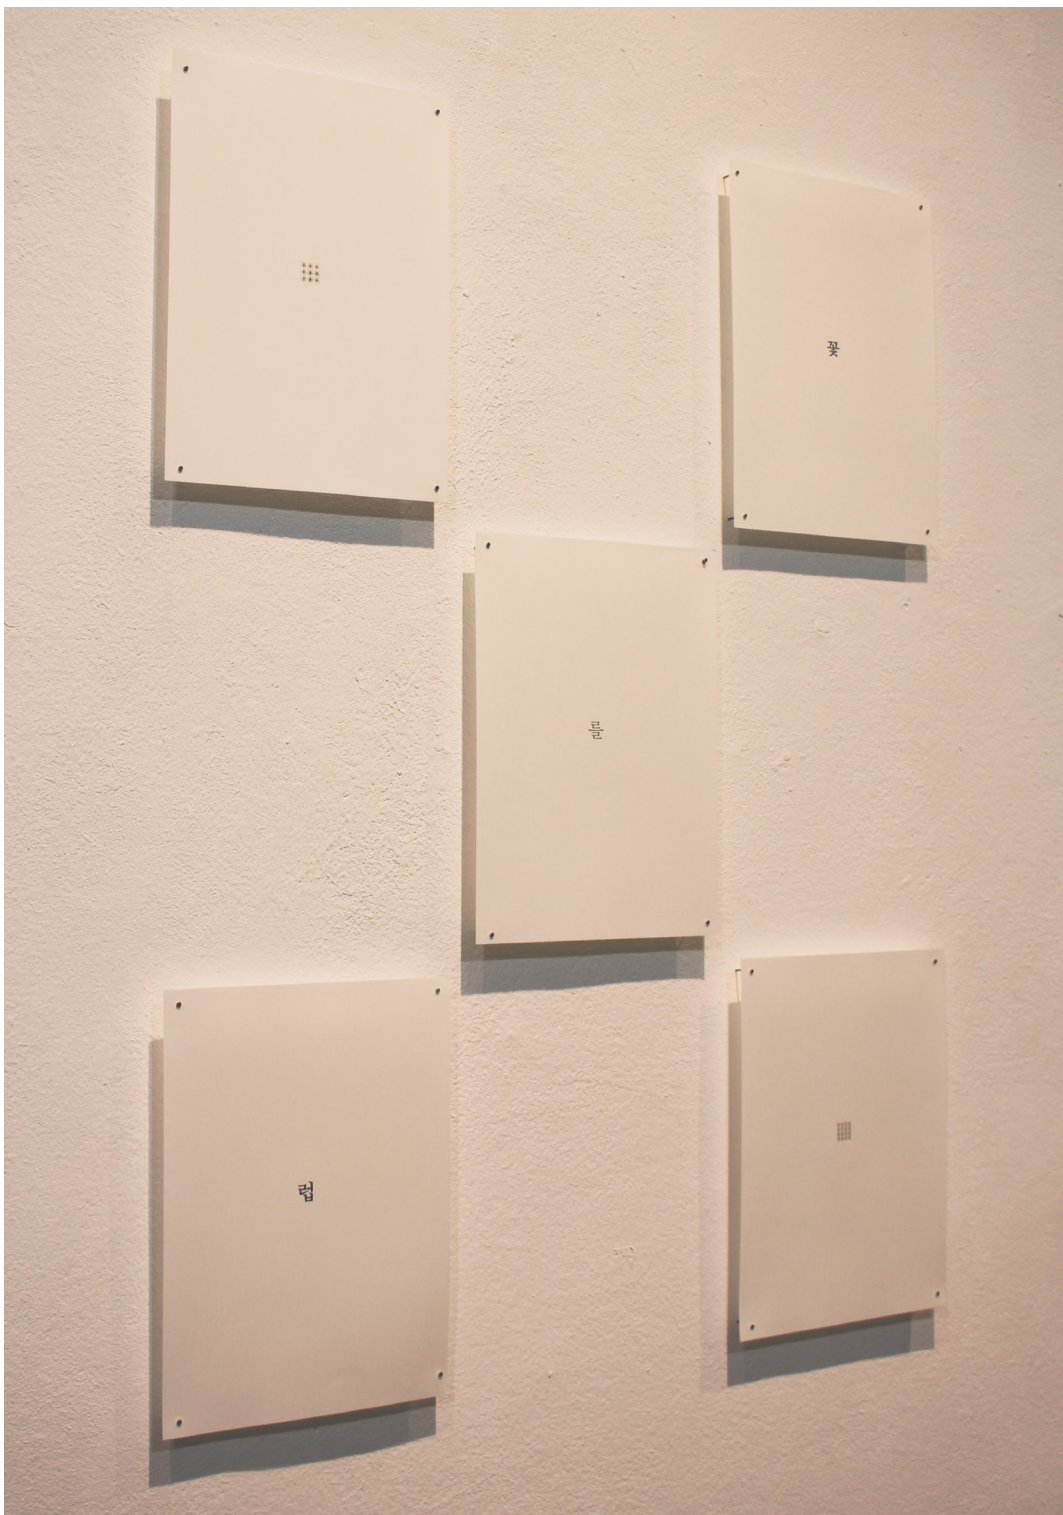

2025

As an outro to the exhibition *des Windes*, this work featured in the annual exhibition of *Kunstverein Haus 8* at Atelierhaus im Anscharpark from December 2025 to January 2026. Conceived as an appendix, the piece unfolds a fragmentary play of language; by reappearing in the identical space, it signals the gradual fade-out of the exhibition *des Windes*, in dialogue with the other works.
