

DIE REINE SPRACHE:

ARTIST'S BOOK

2019

The reader begins with the first folded word, unfolding the book. Through Still Post play mediated by machine translation, the word *Die reine Sprache* shifts across 62 languages, drifting ever further from its origin and transforming into entirely new meanings. The form of the book itself emerges through acts of folding and unfolding, shaped by movement rather than fixed structure.

Artist's book

Offset print on paper

64 pages

Each 11.2 h × 15.8 w cm

Unfolds to 70 h × 100 w cm

Edition of 150
